

# Covid-19 and Internal Audit Quality

Building in Quality to the “New Normal”

**Sally-Anne Pitt CIA CGAP PFIIA**

- Managing Director Pitt Group
- Lead Director Outside North America, IIA

# Quality & the Code of Ethics

## Objectivity

- Involvement in operational areas

## Confidentiality

- Confidentiality of audit information during remote working and using virtual meeting technology

## Competency

- Understanding the impacts of Covid
- Competency in new ways of working

# Knowledge Sharing & Stakeholder Engagement

- Tacit / casual knowledge sharing and remote working - using virtual communication platforms
- Technology solutions to work collaboratively on engagements
- Virtual Training

# Internally Assessing Quality

- Virtual team meetings and supervisory meetings
- Using tailored audit software or off-the-shelf file sharing platforms to share and review working papers
- Using timekeeping systems

# Thanks!
